

# Registering with Dunsany GAA 2026

Using FOIREANN to pay your membership and register with the GAA

# Introduction to Foireann – Dunsany GAA

- We will continue to use the new GAA registration software, also known as foireann, in 2025 to allow people to register with the GAA and pay for their membership.
- Most people will already have a login to foireann.

If not, you can register with foireann itself and create a new user on the system. Once you're registered with foireann, you must also register with the GAA and pay your Dunsany GAA membership.

- Any issues please contact Pat Meehan, Registrar (086 3019003) or via email to [dunsanyit@gmail.com](mailto:dunsanyit@gmail.com).
